

# HYBRID

## SERIES 1

**PRODUCT CODE: SGHYB1**

Using cutting edge materials technology our HYBRID vest is at the forefront of concealable armour. Our 3D Spacer mesh allows heat to escape from the body, keeping the wearer cool in warmer climates and extended wear. It also results in the wearer having a very high level of comfort. The HYBRID was specifically designed to be lightweight, comfortable and cool, while offering protection from a range of threats.
