

The Liney Bag #KTGBGLNE

Built with linesmen. Built to take a bashing.

Eighteen months of field testing created a tool bag that fits, carries, and endures.

Ergonomic like a tramper's pack;
evenly balanced
easy on the shoulders
built for a comfortable trek

It's easy to wipe clean, and as tough as they come.

Pockets that keep every tool in its place; one external
and 2 internal, one with mesh.

Two way covered zip.
Nothing's going to fall out and go missing.

Hard wearing wide webbing straps with durable clips.

Measurements:

80cm long x 32cm wide x 24cm deep
