Insulated Touch-e Rubber Gloves Class 0 1000V - Regeltex

Regeltex's Insulated Touch-e Rubber Gloves Class 0 1000V offer superior protection with excellent dexterity and touch sensitivity. Ergonomically designed to follow the natural shape of the hand at rest, reducing fatigue, ensuring excellent dexterity, and providing a secure grip on tools and small parts. These Insulated Touch-e Rubber Gloves Class 0 1000V have a thin design and textured grip to ensure precise handling and a secure hold, even in damp conditions, making them ideal for demanding electrical and automotive applications.

Suitable for Mining, Electrical Vehicles EV, Renewables, Rail, Maritime, Oil and Gas, Communication and Rescue and Emergency Services.
